BAY PATH VOCATIONAL HIGH SCHOOL
MUGGETT HILL ROAD
CHARLTON, MASSACHUSETTS 01507

SUPERINTENDENT-DIRECTOR'S MESSAGE

May I offer my congratulations to all members of the Class of 1992.

Four years ago, you made a momentous decison that was to leave some of your classmates behind and undertake a new type of education at Bay Path Regional Vocational Technical High School.

We believe we have equipped you to become successful citizens and leaders in your community and occupations. Always, as your life continues, be confident that you have the skills that equip you to become anything and everything that you wish to be.

Good luck to you always in the future. May your life be a happy and productive one.

Charles F. Valera
Superintendent-Director

To The Class Of 1992

It has been four tough and hard-working years, but we have all managed to make it. As you walk out the doors of this school, looking in from the outside you will see all the good and bad times we have all gone through. We are sure the good times outweigh the bad times.

The memories we have of the past four years have been preserved in the yearbook. Hopefully we have succeeded in giving you a yearbook you can look at in the years to come and remember our good times. The past year working on the yearbook has been a labor of love, in which we have thoroughly enjoyed.

The yearbook committee would like to take this time to thank Mr. G and the administration for all the support and help throughout these four years.

We the Class of 1992 dedicate the 1991-92 yearbook to Beverly Miller.

For the past four years she has not only been our class advisor, but our friend. She has always given 110% of herself to meet the needs of her students and has taken the time to know us all personally. I hope that today and always she is aware of how special she is to us.

Varsity Football

The Bay Path Football Team completed a very successful season with a 9-1-2 record. In addition, this team captured the Colonial League Championship for an unprecedented third time and also earned a trip to the Central Mass. Division III Superbowl for the third consecutive year. This is a direct reflection of the hard work, dedication, and personality of the young men who comprised this football team. They represented the entire Bay Path family both on and off the field with pride, discipline, and integrity, culminating in their selection as the recipient of the Central Mass. football officials sportsmanship.

After working hard all summer long, including a week at cheering camp, the Bay Path cheerleaders supported both the football and basketball teams. Their dedication and support helped to bring Bay Path to the High School Superbowl for the third year. J.V. Softball

The girls J.V. softball team has gotten off to a quick start this spring winning seven games in a row. The girls have played good defense and have been hitting in a timely fashion.

The team is comprised of ten freshmen and three sophomores and all the girls have seen considerable playing time.

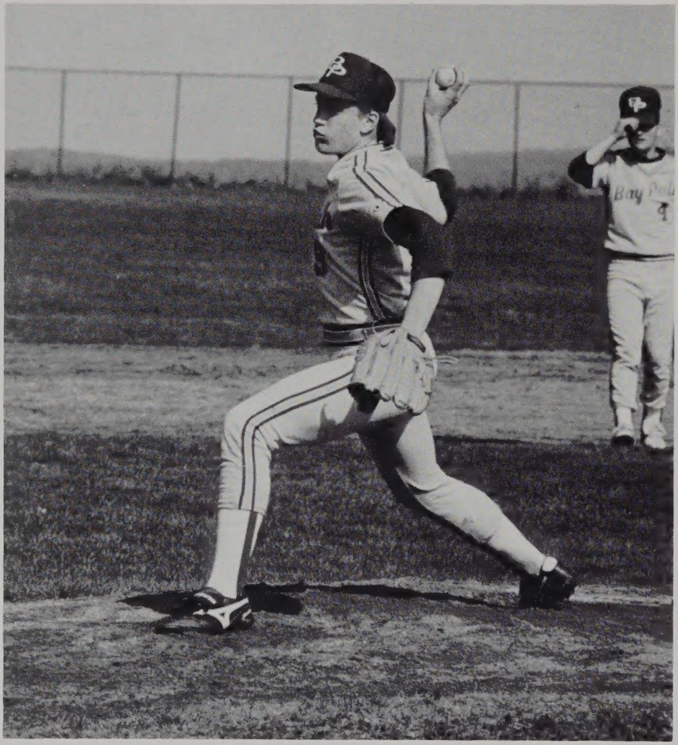
J.V. Baseball



This year's J.V. squad was comprised of a lot of young talent. Such standout players like Jerome Lavelle, Romeo Gauthier, Tony Letuga, Tim Costen led the way. I feel as though this is the beginning of a strong nucleus for a baseball program in the future. I would like to wish all my players good luck in the future.

To the class of 1992

As you look through this book you will see the result of a lot of hard work and dedication. The yearbook staff has gone above and beyond to produce the best yearbook they can. The staff has come in on their own free time to make sure everything is the best that it can be.

Now you hold in your hand the memories of your four years at Bay Path. As you go out into the world and things get tough, you can look back to the years in which your life was much easier. We hope you enjoy and appreciate the hard work the whole yearbook staff put into this task.

We thank John Carrier and Claire Sygiel for their help and most of all their patience through our struggle to get this done.
